With gratitude for her years of service, the Board of Directors is sharing the news that Cecilia Glassman is stepping down as Executive Director of the Los Angeles Police Foundation, effective April 22, 2019.

Since 2010, Cecilia has played a critical role in the development and success of the organization, and while we will miss her and her leadership, we wish her the best of luck as she leaves to pursue new opportunities and develop a consulting practice.

We want to thank her for nearly 9 years of dedicated service to growing our mission, which has resulted in many significant accomplishments.

The Board of Directors will now undertake a search for a new executive director of the Los Angeles Police Foundation. In the interim, Dana Katz has stepped in to lead the organization during the transition process.
